

New
All -N-One Sample Kit
SK-19
 Light Weight

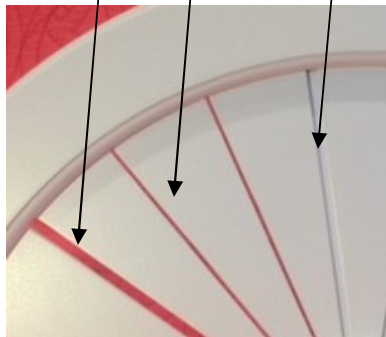

Our new one piece totally redesigned Sample Kit showcases every feature in a simple light weight 24" x 12" Arch. Our Non-Movable Sunburst, Slatburst, and Blackout Styles are displayed with an outside mounted frame. The Custom Operable Arch is shown as a inside mounted arch (not routed) with the required mounted strip attached to the arch. This exclusive sample has it All-n-One.

Front of Arch Painted American White
